Dear The Chinese Association of Jericho,

On behalf of the Jericho Middle School staff and students, I want to thank you for your generous donation to our Bully Prevention Kickoff. We are thrilled to have your support. This year's event to demonstrate our commitment to stand up to bullying was hugely successful. Collectively, students walked thousands of miles, participated in a variety of school wide activities, and had the opportunity to connect with a range of adults who shared strategies and ideas about this important topic.

Through your donation, we were able to provide all our students with a custom-designed "We Stand up" Olweus T-shirt. We also arranged for a presentation by the organization Box Out Bullying as well as other presentations throughout the year. Your donation truly makes a difference in the lives of our kids.

We are so grateful for the support that we receive from our partners in the community. Most of all, your donation sends a strong message to our kids that they have your support in their commitment to stand up to bullying! This is invaluable!

Thank you from the bottom of my heart for **"Standing Up"** with us!

Sincerely,

Chad Gleason
